ARREST MURDERER OF MO. PROFESSOR

DOCTOR SUSPECTED OF KILLING KIRKSVILLE MAN.

Put Under \$10,000 Bond—Asserts His Innocence—Captured at Monroe City.

Kirkville, Mo., Feb. 26.—Dr. J. R. Hull, arrested at Monroe City, Mo., Thursday morning on a charge of murdering Prof. J. T. Vaughn by poisoning, arrived here Thursday night in charge of Deputy Sheriff Barnes. He was taken to the sheriff's office, where after a conference, it was announced the question of bail would not be taken up until tomorrow morning, when he will be released, it is understood, on a bond of \$10,000. Hull was allowed to spend the night in a hotel guarded by a deputy sheriff.

He had little to say regarding his arrest except to assert his innocence and his ability to prove he has been guilty of nothing graver than indiscretion.

Murder is Charged.

With Hull's arrest and the special grand jury nearly through with its investigation of the death of Prof. Vaughn, the case is rapidly nearing a climax.

The grand jury completed its work Thursday afternoon with the exception of two witnesses, State Chemist Schwartz, who found strychnine in Vaughn's viscera, and Chief of Police Koch of Quincy, Ill.

These two witnesses will be examined and an indictment for one person other than Dr. Hull, is expected tomorrow afternoon.

The coroner's jury that has been investigating Vaughn's death at Monroe City, returned a verdict Thursday afternoon that the deceased came to his death by strychnine poisoning.

This body, prior to the chemist's report of the finding of poison in Vaughn's organs, submitted an informal report that they could find no evidence on which to base suspicions that the professor met a violent death.

Hull was accompanied to this city tonight by David Proctor, a brother of Mrs. Vaughn, and by J. M. Proctor, her father, as well as by his wife, mother and son-in-law, J. B. Stiker.

His arrival here was dramatic, in that a crowd of nearly three hundred persons greeted the train on its arrival. Hull eluded the crowd, however, by leaving the train at the rear end and escaping with the deputy, before the curious crowd could find him.

Prosecuting Attorney Reiger said that Hull's bond will be fixed at either \$5,000 or \$10,000 tomorrow morning. Attorneys for Hull said that bondsman are now ready to sign the papers.

BATTLE OF MILLIONS BEGIN

Father and Son, Indians—Mixed Up in Big Suit in Colorado—Sapulpa People.

Colorado Springs, Colo., Feb. 26.—In the appointment by County Judge Little, of former Sheriff O. P. Grimes as guardian of the seven-year old son of Robert Pittman of this city, a full-blood Cherokee Indian, a battle for millions has been begun.

The father, although it is said he can neither read or write, is worth millions as the result of ownership of more than seventy-five valuable oil wells on territory given him by the government near Sapulpa, Okla.

The boy has an annual income of \$100,000 and the guardian appointed by the county judge at Sapulpa, and his attorneys, it is said by the boy's father, are getting rich from the boy's estate.

It was on a petition of Mr. and Mrs. Pittman that Grimes was appointed, and a fight is being made in Sapulpa to have the administration of the property removed from there to Colorado Springs.

The father was appointed guardian here but could not give bond of \$300,000, owing to his illiteracy and he secured Grimes' appointment.

\$200—A pretty lot in Donaghey. Terms.

WEAVER AGENCY

Get in on a Good Thing

We clothing men don't like to "carry over" goods from one season to another; we buy as much as we think we want—it's better to buy too much than too little; but one can't possibly foresee just how many suits or overcoats we're going to sell; and we always have left some stock.

Now, as the winter season draws to a close, as we're beginning to look for spring and summer stuff, here's this surplus of winter goods on hand.

These clothes will be just as good next fall as they are now, for you. We might put them away to keep until then, and sell them; but we don't want to. These suits and overcoats are a good deal better for you now than they will be for us next fall; you'll get two or three month's wear out of them before warm weather brings you in here for thin clothes; especially at the prices we're willing to take for the goods. Look at them!

OKLA. CITY NEGRO KILLS POLICEMAN

WILL MARTIN LANDED IN JAIL FOR MURDER.

Is Seen Running Down Street After Killing by City Health Commissioner.

Oklahoma City, Feb. 26.—Lying in a pool of blood, with his revolver tightly clinched in his death grip, the body of Patrolman M. R. Reagan was discovered at Tenth street and Broadway at 1 o'clock this morning by City Health Commissioner J. W. Riley. Will Martin, a negro, is held at the county jail, charged with the murder.

Although not an eyewitness to the killing, Dr. Riley states that he is in possession of evidence that will send the negro to the death chair. The city physician had been to St. Anthony's hospital attending Albert H. Beall, shot by Deputy Sheriff Robertson early in the evening, and was returning to his home 1302 North Broadway in his automobile. At the corner of Eleventh street and Broadway he saw Patrolman Reagan arrest a negro. Five minutes later, while putting his machine in his garage, he heard a pistol shot and rushed to the street just in time to see Reagan writhing in the middle of the street in his death throes and his assailant running down the street. A hasty examination of the policeman showed that he was dead, his skull having been shattered by a heavy calibre revolver bullet, which had struck him, over the nose and ploughed its way through the back of his head.

KILLS FRIEND.

St. Louis, Feb. 26.—"I shot at his heart. I hope I killed him," exclaimed Henry L. Diedrickson, as he surrendered to the police this afternoon, after mortally wounding John Barry, a politician and police character. Barry died tonight.

The shooting followed a political argument in a justice court, of which Diedrickson is clerk. Diedrickson declares he shot in self-defense, alleging Barry threatened him with a knife.

The men had been friends for years until Barry left the republican party and became a democrat. They then became bitter enemies. Diedrickson was released on \$5,000 bond to await the coroner's inquest.

HE DIDN'T WANT TO GET MARRIED

MRS. STEVENS DIDN'T LOOK GOOD
TO MR. WASHMAN.
Farmer Near Stratford Answered Ad-
vertisement but Arkansas Wo-
man Didn't Suit.
Advertising may be a suitable meth-
od for some fellows to get them-
selves a wife but it doesn't suit one
Mr. Washman at all. He knows for
he has tried it.
It isn't a very long story. Mr.
Washman came here about a year
ago and purchased a farm near
Stratford where he is known as an
industrious farmer. He evidently
reads quite a bit—as all up-to-date
farmers do—and among his literature
a matrimonial paper crept into his
lonely home.
Sees Ad in Paper.
In glancing over Cupid's magazine
a certain ad caught his eye. No doubt
he read it over and over again, and
each time he read it the more he de-
spised his bachelorhood. Anyway that
advertisement, signed by Mrs. Stev-
ens of some town in Arkansas, seem-
ed to keep telling him to answer it,
and so he did.
After some correspondence be-
tween the two they agreed that she
should come to Ada and here they
would marry. As per agreement Mrs.
Stevens came in on the Frisco Thurs-
day morning. It required but one
look at the woman to decide that
she was not the one he was look-
ing for. Oh, no, he didn't want to
marry her.
Spends His Money.
Up town they came and all the
while he was doubtless calling on
his think box for a way in which
he might give Mrs. Stevens the slip.
Finally he offered to buy her a suit
and when he paid \$30 for it she must
have come to the conclusion that
he was a mighty good fellow. Besides
this, he paid her hotel bill and rail-
road fare back to Arkansas.
Both Go Home.
After this was settled Mr. Wash-
man went to his farm, and this morn-
ing Mrs. Stevens boarded the north-
bound Frisco for her home, rigged
out in the new \$30 suit. Although the
suit was very pretty it didn't im-
prove her facial appearance, so 'tis
said.
Yesterday afternoon a gang of what
Mr. Washman might term "hoodlums"
gathered around him and threatened
to make him marry the woman but
such action had no effect whatever
on him.
Great Church Conference.
Pittsburg, Pa., Feb. 26.—Delegates
from forty-four cities throughout the
United States are arriving here to
attend a conference, national in
scope, for the purpose of considering
Protestant Episcopal church exten-
sion work. The convention will be
held under the auspices of the Lay-
men's Missionary league and the
Protestant Episcopal diocese of Pitts-
burg, and the sessions will open
Thursday.
Bryan and Cook Arrive.
Andes, Chile, Feb. 26.—William J.
Bryan, Mrs. Bryan and their daugh-
ter arrived here Thursday from San-
tiago and crossed the mountains on
their way to Buenos Ayres. Dr. Fred-
erick A. Cook and his wife also ar-
rived here from Santiago. They will re-
main here until Sunday, when they
proceed across the mountain for
Buenos Ayres.

Icebergs Threaten.
Seattle, Wash., Feb. 26.—Reports re-
ceived from the north say that men
who are standing by the wreck of the
Alaska Steamship company's
steamer Yucatan, which was wrecked
on a reef at the entrance to Mud
Bay, Alaska, last week, are engaged
in a continuous battle with huge ice-
bergs to keep the bleached vessel
from complete destruction. With the
exception of the forward house, the
Yucatan is entirely submerged at
high tide. Captain W. S. Porter and
the men with him are living in the
forward house pending the arrival of
the wrecking steamship Santa Cruz.
Mexico's Claim Denied.
El Paso, Tex., Feb. 26.—In denying
the injunction of George Paul against
the city of El Paso, the district court
here Thursday recognized the dis-
puted territory known as the Cham-
izal zone as belonging to the United
States, and not to Mexico. The
litigation regarding the ownership
of this ground has long been the
subject of dispute between the two
countries. The disputed strip is part
of El Paso, contains five thousand
population and is valued at five mil-
lion dollars. Paul sought to enjoin
the city from taking possession of
the land, claiming possession under
a grant from Mexico.
Major Stafford Missing.
El Paso, Tex., Feb. 26.—Relatives
and friends of Major Don Stafford,
adjutant general of Louisiana, are
greatly alarmed over his strange dis-
appearance. Major Stafford left New
Orleans last week to visit a brother
in El Paso and since then nothing
has been heard of him.

NEW ELECTION
MEASURE PASSED
MILTON BYRON'S LAW GOES
THROUGH
Long Debate on Rogers Resolutions
—Senator Stewart Defends
Resolution
Guthrie, Okla., Feb. 26.—After a
prolonged contest over application of
the House rules, the Democratic ma-
jority there put through on final pas-
sage the new election law offered by
Milton Byron of Pottawatomie Co.
At last night's adjournment Mr. Til-
lotson of the majority concluded
his argument for the bill, the pend-
ing motion being to consider the
bill engrossed and placed on final
roll call, and upon which the pre-
vious question had been ordered.
When the House began work this
morning, Mr. Jones (Republican) in-
sisted that it was impossible to car-
ry two objects in the same motion,
the Speaker ruling against him. He
then wanted the bill referred to the
Committee on Elections with instruc-
tions to consider fifty amendments
which Republicans drafted in caucus.
This also being declared out of
order, the roll was called, the bill
passing by a vote of 58 to 36, with
fourteen absentees. The vote was a
strict party alignment, Republicans
voting "No." The emergency, how-
ever, which would give the act im-
mediate effect, was defeated by a
vote of 56 to 38. Messrs. Harrison
and Faulkner voting "No." Defeat of
the emergency afforded opportunity
for a referendum vote on the bill
which Republicans insist will be
taken by circulating petitions among
the people as they did on the Taylor
law of the regular session.
On Taylor Law
Immediately following passage of
the bill the Committee on Elections
made a favorable report on the Tay-
lor bill, amending the initiative and
referendum law, which fixes a pro-
cedure for submitting amendments
the Taylorshrdlu etain shrdlu cmfw
to the Constitution. Republicans an-
nounce they will oppose its passage.
The Bryon law which passed today
returns to the emblem ballot, dis-
placing the ribbon ballot law of the
regular session, and is pronounced
by Democrats to be a fair election
proposition. It creates State and
county lection boards, which were
not possessed under the Territorial
law, and requires a general registra-
tion for voters, whereas the Terri-
torial act confined registration to
cities of the first class. Republicans
object to the procedure for naming
election boards, contending that it
gives the Governor authority to dis-
regard recommendations made by
party chairman. Mr. Bryon explains
that the wording of the provision is
necessary in order not to limit the
appointing power of the Governor,
which he says would be unconstitu-
tional.
Snyder's Statutes.
The Senate had a long debate on
the Rogers resolution proposing to
declare Snyder's Statutes the pre-
sumptive law of the State. Senator
Allen started with the declaration
that 10 per cent of the civil section
of the compilation was erroneous,
and out of 650 sections of the crim-
inal end 250 had either been repeal-
ed or amended. He was in favor, he
said, of permitting the people to
guess for another twelve months as
they had for two or three years on
what the law is, instead of giving
Snyder's Statutes legislative sanc-
tion.
Senator Stewart came to the reso-
lution's defense. He said that no

State had a perfect code at the be-
ginning, and referred to the Bible
as being full of errors when printed.
"Do you refer to the mistakes of
Moses?" asked Senator Blair.
"It has been revised and the er-
rors eliminated, and that is what we
should do with the statutes," answered
the Hugo Senator. "The people
did not discard the Bible because of
the errors."
Senator Brownlee said that the
compilation contained the law on ne-
gotiable instruments passed at the
regular session, and all other laws
on the same subject the Territory
ever had. It also contained the Tay-
lor election, which he characterized
as being "so malodorous that you
can tell the volume a mile off," and
with it were other election laws of
the State. He told about an A-dmore
attorney advising a client what the
law was as to payment of a road
tax, after consulting the Snyder vol-
ume, and that when the officer came
around to collect there came near be-
ing a killing. The officer knew what
the law was, whereas the attorney's
client had it straight from Snyder's
statutes.
Senator Franklin said that the
State had been gold-bricked twice in
the statutes and he was against a
third venture until the legislature
knew it was right, while Senator
Russell offered an amendment that
would make the statutes the possible
in place of the presumptive law of
the state. In this shape the senate
killed the resolution by a vote of 21
to 9.
For Prison Buildings.
In committee of the whole the
Senate passed a bill appropriating
\$200,000 for new buildings at the Mc-
Alester penitentiary, and a standing
committee reported favorably on
quite a number of appropriation bills,
among them being \$35,000 for the
Granite reformatory.
An adverse report was made on the
House bill selling certain Greer coun-
ty lands, and the sections of school
lands adjacent to cities and towns
heretofore reserved for townsite pur-
poses. The report was adopted.
A favorable report was made on the
bill permitting the school land sales
force to sell in more than one coun-
ty a week, but not at the same time.
A new bill in the senate was by
Senator Williams appropriating \$50-
000 for use of the corporation com-
mission and \$20,000 for the Attorney

BABY DEAD WHEN PARENTS AWAKE

DEATH CAUSED BY SUFFOCATION.

Mr. and Mrs. Fountain Horror-Stricken at Finding Child Still by Death.

The death angel came some time last night or this morning and took away the baby that, two months ago, came to brighten the home and lives of Mr. and Mrs. Fountain of Sixteenth street.

Child Suffocated.

Death was caused by accidental suffocation.

The baby was troubled with an infection of the head, but last night the little one was resting well. The fond parents, having lost much sleep on account of the baby's condition, soon went to sleep and never awakened until the usual arising time, when they were horror-stricken to find their child dead. A physician was summoned, but death had preceded him some little time. About 10 o'clock Justice Brown held an inquest over the remains, the verdict being as follows:

Jury's Verdict.

We, the jury, duly empaneled and sworn, upon our oaths do find on this the 26th day of February, 1910, after hearing the evidence to Dr. Hartman, our opinion is that the cause of the infant's death was by accidental suffocation.

Witness our hands this the 26th day of February, 1910.

IS DECLARED GUILTY

JURY'S VERDICT IS FIVE YEARS IN PENITENTIARY.

Dick Birdwell Has Trial for Stealing Two Mules—Other Court House News.

The jury in the trial of the State vs. M. D. Chappel returned a verdict this morning at 10 o'clock finding Chappel guilty and assessing a sentence of five years in the penitentiary.

For a day and a half Chappel was on trial charged with arson, having forced Mrs. Lange, so her testimony stated, to burn his store building and stock of general merchandise, which was located in the community known as Blackburn's Gin, some time in the year of 1908, the object of the burning being to secure the insurance.

Dick Birdwell Convicted.

Dick Birdwell's case was called this morning and completed today's business. He is charged jointly with George Wilfont of stealing two mules from Amos Sampson, a negro, near Bebee. The jury returned a verdict of guilty and sentenced him to four years in the penitentiary.

Negro Released.

Charley Dade, the negro who several weeks ago broke into a car in the Katy yards in this city and stole some flour, was released on his own recognizance from the county jail yesterday and taken to Shawnee by some negro friends. He has been sick ever since he was put in jail and a physician said he couldn't live very long.

Francis Couple Adops Child.

Today in probate court Mr. and Mrs. W. L. Shaffer of Francis adopted Miss Rosa Ward, age 16.

First Kissed Hobson.

New York, Feb. 26.—Miss Emma Arnold, of St. Louis, was the first patriotic American girl to decorate Capt. Richmond P. Hobson for his bravery in the thrilling Meccimac incident in Santiago Harbor, Cuba. The then Miss Arnold gave Hobson the highest reward; a delicate kiss. Other girls followed her example and Hobson received such enthusiastic rewards wherever he went; became the most numerous kissed man in the country.

Miss Arnold is a happy bride now; she married Benjamin Sugeneimer, of New York in St. Louis Thursday. Mrs. Harris Franklin, of New York, the bride's sister, was matron of honor. Mr. Sugeneimer wooed and won his fair wife at Long Branch last summer. After the honeymoon tour through the south the couple will reside at the Majestic hotel here.

MRS. WINTERSMITH ENTERTAINS.

Mrs. J. M. Wintersmith was a pleasing hostess to the 500 club Wednesday afternoon.

The Hostess' visitor, Miss Alice Downes, of Louisville, was honor guest.

Patriotic decorations made the interior of the home distinctly attractive.

A one course luncheon was served to the members and guests Mesdames Creveling, Neathery, Torbett, Hart, Miss Gertrude Thompson, and out of town guests, Mrs. Smith, who is visiting her daughter, Mrs. Drummond. Mrs. Rives' sister, Mrs. McKamie, and Miss Downes.

The house was effectively decorated in flags and national colors.

The first hour, the guests were met by Mrs. Torbett; second by Mrs. Mason, and the third, by Mrs. Ebeby. Mrs. Duncan introducing them to Mrs. St. Clair and Mrs. Rickett. From the hall, Mrs. A. L. Beck ushered them into the tea room, where Mrs. Rodarmel presided at the table. As they passed into the music room, Mrs. Neathery presented the programs, which were uniquely arranged on small flags.

While the guests were entertained with vocal and piano selections, refreshments in red and white were served on blue and white china.

The following, with their musical talent, contributed to the entertainment: Miss Dorothy Duncan, Misses Case, Wingo, Sowers, Thompson, Stubblefield, Steed, Torbett, Kyte and Shands.

The house party, majority of whom were gowned in Martha Washington style, were: Mesdames Ebeby, Galbraith, Rodarmel, Beck, Torbett, Weaver, Neathery, Stubblefield, I. M. King, Kice, Hart, Mason and Miss Gladys Torbett.

The culture of Mrs. Duncan and her capacity as an entertainer contributed much to the refined enjoyment of her popular guests, as always does, on occasions where she is hostess.

WEST WILL RUN FOR GOVERNOR

Special to News.—Guthrie, Okla., Feb. 26.—Attorney General Chas. West made definite, though not formal announcement last night that he would be a candidate for governor. It is thought that such decision will result in either Hon. J. B. Thompson or Hon. Clint Graham becoming candidates for attorney general in which latter event, Hon. Geo. Henshaw, might make the race for corporation commissioner.

TEXAN DIES FROM WOUND

Capt. Fowler Commanded Artillery in Nicaragua—Home Was in Dallas, Texas.

Managua, Nic., Feb. 26.—It is unofficially reported here Capt. Godfrey Fowler, formerly of the United States army, who commanded General Chamorro's artillery in the engagement at Tisma, on Tuesday, has died from his wounds.

A large number of wounded soldiers of both sides have been brought here, and some of them confirm the reports of a desperate attempt by the insurgents to force a passage at Tipitapa bridge. According to these stories, General Chamorro, in civilian clothes, succeeded in making his way across the river into Chontales. He was accompanied by only a handful of men, who had a hand-to-hand fight with machetes, against the government troops.

Fowler Is Texan.

Dallas, Tex., Feb. 26.—Capt. Godfrey Fowler, reported in Thursday's dispatches as being killed in the battle of Tipitapa, Nicaragua, is a resident of Palestine, Texas, and was the grandson of the late John H. Reagan, postmaster general of the Confederacy, and afterward United States senator. Captain Fowler served one term in the Texas legislature and served in the Philippines during

the Spanish war and is 36 years of age.

HOME FOR CONFEDERATES

OKLAHOMA WILL TAKE CARE OF OLD SOLDIERS OF THE LOST CAUSE.

Bill By Maxey, Gilmer, Casteel and Allen—Haskell Signs With Pleasure.

House Bill No. 41 by Gilmer, Maxey and Casteel, of the House and Allen, an act of the Senate.

Providing for the erection of, and the taking over to the state of certain property for a home, to be known as the Oklahoma Confederate Home, for indigent and disabled confederate soldiers and sailors, their wives and widows; Providing for a Board of Trustees for the control and management of said Confederate Home and Providing for an appropriation for same.

Be it Enacted by the People of the State of Oklahoma:

Section 1. That the institution contemplated to be built as herein provided and as provided for under the articles of incorporation of the Confederate Veteran Home Association and to be built within or near the corporate limits of the City of Ardmore, Carter County, Oklahoma, is hereby created and made a charitable institution of the State of Oklahoma, same to be known as The Oklahoma Confederate Home, and said property as hereinafter described and provided for is accepted and taken over in the name of the State and the State agrees to maintain said home for a period of twenty-five (25) years or for so much of said time as the state has subjects as afore described who need the care of such a home, when the conditions and stipulations herein provided for have been complied with as follows:

The Board of Trustees, hereinafter provided for said Confederate Home shall cause to be built and erected, the necessary building or buildings, at a cost of not less than Twenty Thousand (\$20,000) Dollars for the care of indigent and disabled soldiers and sailors who enlisted, served and participated as a soldier in the army or as a sailor in the

navy of the Confederate States of America during the Civil War, and also for the aged wives and widows of such soldiers and sailors. In consideration of this action upon the part of the State, the Board of Trustees hereinafter provided for, shall convey to the state all the property now owned or to be owned and held or to be held under its corporate franchise procured from the state and as contemplated in this Act consisting of not less than twenty (20) acres of lands with building or buildings, as contemplated and aforementioned together with all improvements and property thereon and also all the emoluments, gifts and donations to said home and the deed therefor; and after being duly recorded, the deed thereto together with the abstract therefor, shall be filed with the Secretary of State; said title to be free from all encumbrances of any nature whatever to the state.

Section 2. The control and management of said home, to be located as afore described, shall be vested in a Board of Trustees composed of seven (7) members, each residing in the State and each of whom shall, as far as practicable, have served as a soldier in the army or as a sailor in the navy of the Confederate States of America during the Civil War, and they shall be appointed by the Governor by and with the advice and consent of the senate of the State of Oklahoma.

The governor as soon as this Act will have taken effect, shall appoint seven (7) members, four (4) of whom shall hold for a term ending on the first Tuesday of February, 1911, and the other members for a term ending on the first Tuesday of February, 1913; and their successors in office shall hold for a term of four (4) years. When vacancies occur they shall be filled by appointment by the governor for any unexpired term; meetings of said Board of Trustees shall be at the Oklahoma Confederate Home at Ardmore, Oklahoma, twice each year, on the first Tuesday in March and September, and shall be allowed out of the funds appropriated under this article their

actual expenses. The treasurer shall receive as full compensation for his services the sum of Three Hundred (\$300.00) Dollars per year.

Section 3. The said Board of trustees shall biennially elect president, Treasurer and secretary from their number and fix the amount of bond which the treasurer shall be required to give, which bond shall be approved by the governor and filed with the secretary of state. No member of said board shall either directly or indirectly sell any supplies towards the maintenance of said home or its buildings or grounds nor be directly or indirectly interested in any corporation selling such supplies under penalty of dishonorable dismissal from his trust by either the board or the governor of the state. Said board shall on or before the first Wednesday of January, 1911, and on the same day every two years thereafter, furnish a detailed report of its work to the legislature of the state, accompanied by a statement under oath of the treasurer of said board of the financial transactions of the two preceding years giving a detailed statement of all moneys and property, emoluments gifts and endowments received on account of such home and an itemized account of all its disbursements. The board of trustees shall have power and authority to make all necessary rules and regulations for the control and maintenance of said home and for the admission and discharge of the inmates thereof, and also provide for the necessary employees. The members of the board shall receive for compensation their actual and necessary expenses incurred out of appropriation for said institution.

Section 4. The secretary of state shall furnish a certificate to each member of the board of trustees within ten days of his appointment, notifying him that he has been appointed; and if any member fails for a space of thirty (30) days to inform the governor of his acceptance, then his appointment shall be void and his place shall be filled as heretofore provided in cases of vacancies.

Section 5. Said board may solicit and receive money, gifts, donations, endowments or other property in the name of the state for the use and benefit of said Oklahoma Confederate Home.

Section 6. The president of the board shall upon confirmation of the board of trustees appoint an executive committee consisting of three members of the board, who shall meet once every three months, at the home for the purpose of transacting all such business as the board may by order, by laws or otherwise; said appointment to be made at the annual meetings in March of each year.

Section 7. The board of county commissioners of the counties or the friends of the applicants shall pay the expenses of sending the applicants to said home.

Section 8. All money received by the treasurer, or by any financial officer authorized by them so to do of said institution from whatever source, excepting such as may arise from the sale or exchange of the products of the home by order of the executive committee, shall be immediately transmitted by such financial officer to the state treasurer, and the state treasurer, on receipt of such moneys, shall receipt the same into the Oklahoma Confederate Home Fund which is hereby created and established.

Section 9. For the purpose of carrying into effect the provisions of this Act as herein conditioned, there is hereby appropriated out of any moneys in the State Treasury of the State of Oklahoma, not otherwise appropriated, the sum of Twenty Thousand (\$20,000.00) Dollars, or so much thereof as may be necessary for the maintenance and support of said Oklahoma Confederate Home for the fiscal year ending June 30, 1911.

C. N. HASKELL, Governor of the State of Oklahoma.

Getting Ready for Spring Crops.

Tuttle, Ok., Feb. 26.—Grady county farmers are getting their lands in shape for the planting of the 1910 crop. Many acres in the county are now in a first-class state of cultivation. The soil is in fine condition and the fine weather of the past few weeks has allowed farmers to progress nicely with their work.

The winter season has put the land in fine shape. There has been plenty of freeze to destroy the insects and plenty of rain to produce moisture.

We are placing our product on the foreign market from Oklahoma City to Atoka, and have 75 retail dealers calling on us for potatoes. This potato is the finest there is for bedding and growing. It makes potatoes where all others fail. Our method of keeping the potato enables the grower to make plants with no chance of failure. The plants will come from the bed from 10 to 15 days earlier than any other we have ever tried.

Does God Want a Prayer Meeting?

The most vexing problem in the church work in the towns of the country is the prayer meeting service. Do we really believe that it is a part of the service of God? Do we believe that it is a duty or a passive privilege? If it is a part of the service of God, does God require anything of us in this service? If anything is required of us, can we please God when we do not meet this requirement. Most all the members of a large number of our churches are never seen in our prayer meeting, and they claim to be children of God. Now I am frank to say that God is ashamed of a modern prayer meeting, and any man who is a christian and is never seen at these services has to let the people largely depend on his word for his religious sentiments, for he never can impress them with his life, and I am of the opinion, that at the last, these same people will be surprised to find that their religion has been a play at serving God.

There is a real principle in the service of God, and so long as we

make the service of God subordinate to our daily business, just so long will our influence be absolutely dead in God's kingdom and our children will be unsaved, and we will get no pleasure out of life. Our members need a clearer conception of the religion of Christ. Now there is a promise: "Where two or three have gathered in my name," If a man calls to be a child of God and loves to stay by a warm stove, or with his family, or with a picture show or with any other attraction, when Christ promises to meet him at prayer meeting. God's word says he is noth worthy of him. O we need men who love God, who really believe they are the light of the world, who believe what God says about these things. Give me prayer meeting christians and we will carry the world for Christ.

Let us quit playing at religion and do some real things.

O. E. FOWLER.

HE DIDN'T WANT TO GET MARRIED

MRS. STEVENS DIDN'T LOOK GOOD TO MR. WASHMAN.

Farmer Near Stratford Answered Advertisement but Arkansas Woman Didn't Suit.

Advertising may be a suitable method for some fellows to get themselves a wife but it doesn't suit one Mr. Washman at all. He knows for he has tried it.

It isn't a very long story. Mr. Washman came here about a year ago and purchased a farm near Stratford where he is known as an industrious farmer. He evidently reads quite a bit—as all up-to-date farmers do—and among his literature a matrimonial paper crept into his lonely home.

Sees Ad in Paper. In glancing over Cupid's magazine a certain ad caught his eye. No doubt he read it over and over again, and each time he read it the more he despised his bachelorhood. Anyway that advertisement, signed by Mrs. Stevens of some town in Arkansas, seemed to keep telling him to answer it, and so he did.

After some correspondence between the two they agreed that she should come to Ada and here they would marry. As per agreement Mrs. Stevens came in on the Frisco Thursday morning. It required but one look at the woman to decide that she was not the one he was looking for. Oh, no, he didn't want to marry her.

Spends His Money.

Up town they came and all the while he was doubtless calling on his think box for a way in which he might give Mrs. Stevens the slip. Finally he offered to buy her a suit and when he paid \$30 for it she must have come to the conclusion that he was a mighty good fellow. Besides this, he paid her hotel bill and railroad fare back to Arkansas.

Both Go Home.

After this was settled Mr. Washman went to his farm, and this morning Mrs. Stevens boarded the north-bound Frisco for her home, rigged out in the new \$30 suit. Although the suit was very pretty it didn't improve her facial appearance, so 'tis said.

Yesterday afternoon a gang of what Mr. Washman might term "hoodlums" gathered around him and threatened to make him marry the woman but such action had no effect whatever on him.

Great Church Conference.

Pittsburg, Pa., Feb. 26.—Delegates from forty-four cities throughout the United States are arriving here to attend a conference, national in scope, for the purpose of considering Protestant Episcopal church extension work. The convention will be held under the auspices of the Laymen's Missionary League and the Protestant Episcopal diocese of Pittsburg, and the sessions will open Thursday.

Bryan and Cook Arrive.

Andes, Chile, Feb. 26.—William J. Bryan, Mrs. Bryan and their daughter arrived here Thursday from Santiago and crossed the mountains on their way to Buenos Ayres. Dr. Frederick A. Cook and his wife also arrived here from Santiago. They will remain here until Sunday, when they proceed across the mountain for Buenos Ayres.

Seattle, Wash., Feb. 26.—Reports received from the north say that men who are standing by the wreck of the Alaska Steamship company's steamer Yucatan, which was wrecked on a reef at the entrance to Mud Bay, Alaska, last week, are engaged in a continuous battle with huge icebergs to keep the bleached vessel from complete destruction. With the exception of the forward house, the Yucatan is entirely submerged at high tide. Captain W. S. Porter and the men with him are living in the forward house pending the arrival of the wrecking steamer Santa Cruz.

Mexico's Claim Denied.

El Paso, Tex., Feb. 26.—In denying the injunction of George Paul against the city of El Paso, the district court here Thursday recognized the disputed territory known as the Chamizal zone as belonging to the United States, and not to Mexico. The litigation regarding the ownership of this ground has long been the subject of dispute between the two countries. The disputed strip is part of El Paso, contains five thousand population and is valued at five million dollars. Paul sought to enjoin the city from taking possession of the land, claiming possession under a grant from Mexico.

Major Stafford Missing.

El Paso, Tex., Feb. 26.—Relatives and friends of Major Don Stafford, adjutant general of Louisiana, are greatly alarmed over his strange disappearance. Major Stafford left New Orleans last week to visit a brother in El Paso and since then nothing has been heard of him.

DEEDS, NOT WORDS.

Ada People Have Absolute Proof of Deeds at Home.

It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills. For kidney sufferers, have made their local reputation. Proof lies in the testimony of Ada people who have been cured to stay cured.

W. F. Jones, E. Eleventh St., Ada, Okla., says: "It is over a year and a half since I used Doan's Kidney Pills and received a cure from a severe case of kidney complaint. There was a dull ache through my loins and too frequent passages of the kidney secretions caused me much annoyance. I tried a number of remedies, but received only temporary relief until I used Doan's Kidney Pills. I have had no occasion to take a kidney remedy since then, as the cure Doan's Kidney Pills effected has proven to be a permanent one."

NEW ELECTION MEASURE PASSED

MILTON BYRON'S LAW GOES THROUGH

Long Debate on Rogers Resolutions—Senator Stewart Defends Resolution

Guthrie, Okla., Feb. 26.—After a prolonged contest over application of the House rules, the Democratic majority there put through on final passage the new election law offered by Milton Byron of Pottawatomie Co. At last night's adjournment Mr. Tillotson of the majority concluded his argument for the bill, the pending motion being to "consider the bill engrossed and placed on final roll call, and upon which the previous question had been ordered."

When the House began work this morning, Mr. Jones (Republican) insisted that it was impossible to carry two objects in the same motion, the Speaker ruling against him. He then wanted the bill referred to the Committee on Elections with instructions to consider fifty amendments which Republicans drafted in caucus. This also being declared out of order, the roll was called, the bill passing by a vote of 58 to 36, with fourteen absentees. The vote was a strict party alignment, Republicans voting "No." The emergency, however, which would give the act immediate effect, was defeated by a vote of 56 to 38. Messrs. Harrison and Faulkner voting "No." Defeat of the emergency afforded opportunity for a referendum vote on the bill which Republicans insist will be taken by circulating petitions among the people as they did on the Taylor law of the regular session.

On Taylor Law

Immediately following passage of the bill the Committee on Elections made a favorable report on the Taylor bill, amending the initiative and referendum law, which fixes a procedure for submitting amendments to the Territorial statute book to the people. The Rogers resolutions, which would give the act immediate effect, was defeated by a vote of 56 to 38. Messrs. Harrison and Faulkner voting "No." Defeat of the emergency afforded opportunity for a referendum vote on the bill which Republicans insist will be taken by circulating petitions among the people as they did on the Taylor law of the regular session.

The Bryan law which passed today returns to the emblem ballot, displacing the ribbon ballot law of the regular session, and is pronounced by Democrats to be a fair election proposition. It creates State and county election boards, which were not possessed under the Territorial law, and requires a general registration for voters, whereas the Territorial act confined registration to cities of the first class. Republicans object to the procedure for naming election boards, contending that it gives the Governor authority to disregard recommendations made by party chairmen. Mr. Bryan explains that the wording of the provision is necessary in order not to limit the appointing power of the Governor, which he says would be unconstitutional.

Snyder's Statutes.

The Senate had a long debate on the Rogers resolution proposing to declare Snyder's Statutes the presumptive law of the State. Senator Allen started with the declaration that 10 per cent of the civil section of the compilation was erroneous, and out of 650 sections of the criminal and 250 had either been repealed or amended. He was in favor, he said, of permitting the people to guess for another twelve months as they had for two or three years on what the law is, instead of giving Snyder's Statutes legislative sanction.

Senator Stewart came to the resolution's defense. He said that no

State had a perfect code at the beginning, and referred to the Bible as being full of errors when printed. "Do you refer to the mistakes of Moses?" asked Senator Blair.

"It has been revised and the errors eliminated, and that is what we should do with the statutes," answered the Hugo Senator. "The people did not discard the Bible because of the errors."

Senator Brownlee said that the compilation contained the law on negotiable instruments passed at the regular session, and all other laws on the same subject the Territory ever had. It also contained the Taylor election, which he characterized as being "so malodorous that you can tell the volume a mile off," and with it were other election laws of the State. He told about an A more attorney advising a client what the law was as to payment of a road tax, after consulting the Snyder volume, and that when the officer came around to collect there came near being a killing. The officer knew what the law was, whereas the attorney's client had it straight from Snyder's statutes.

Senator Franklin said that the State had been gold-bricked twice in the statutes and he was against a third venture until the legislature knew it was right, while Senator Russell offered an amendment that would make the statutes the possible in place of the presumptive law of the state. In this shape the Senate killed the resolution by a vote of 21 to 9.

For Prison Buildings.

In committee of the whole the Senate passed a bill appropriating \$250,000 for new buildings at the McAlester penitentiary, and a standing committee reported favorably on quite a number of appropriation bills, among them being \$75,000 for the Granite penitentiary.

An adverse report was made on the House bill selling certain Greer county lands, and the sections of school land's adjacent to cities and towns heretofore reserved for townsite purposes. The report was adopted.

A favorable report was made on the bill permitting the school land sales force to sell in more than one county a week, but not at the same time. A new bill in the senate was by Senator Williams appropriating \$50,000 for use of the corporation commission and \$20,000 for the Attorney

General to make the fight in the rate cases. A bill by Senator Thomas would appropriate \$9,170 for deficiencies for the state Code Commission.

A new house bill was by Mr. Cope of Canadian to create a fund for the bar committee and fixing the application fee for lawyers at \$5 and license fee at \$12.

The house adopted a conference report which authorizes the governor, the state treasurer and attorney general to adjust the state's claim with the receiver of the defunct Capital National bank.

A house committee made favorable report on the proposed income tax amendment to the federal constitution passed by the last congress and referred to the states.

BABY ENTERS SLEEP.

For the second time in two days death has visited the home of Mr. and Mrs. J. B. Stewart of West 16th street. This morning their 5-months-old child passed away. Interment will be at Egypt cemetery tomorrow.

BABY DEAD WHEN PARENTS AWAKE

DEATH CAUSED BY SUFFOCATION.

Mr. and Mrs. Fountain Horror-Stricken at Finding Child Still by Death.

The death angel came some time last night or this morning and took away the baby that, two months ago, came to brighten the home and lives of Mr. and Mrs. Fountain of Sixteenth street.

Child Suffocated.

Death was caused by accidental suffocation.

The baby was troubled with an infection of the head, but last night the little one was resting well. The fond parents, having lost much sleep on account of the baby's condition, soon went to sleep and never awakened until the usual arising time, when they were horror-stricken to find their child dead. A physician was summoned, but death had preceded him some little time. About 10 o'clock Justice Brown held an inquest over the remains, the verdict being as follows:

Jury's Verdict.

We, the jury, duly empaneled and sworn, upon our oaths do find on this the 26th day of February, 1910, after hearing the evidence of Dr. Hartman, our opinion is that the cause of the infant's death was by accidental suffocation.

Witness our hands this the 26th day of February, 1910.

Witness my hand and seal this the 26th day of February, 1910.

The jury in the trial of the State vs. M. D. Chappel returned a verdict this morning at 10 o'clock finding Chappel guilty and assessing a sentence of five years in the penitentiary.

For a day and a half Chappel was on trial charged with a larceny, having forced Mrs. Isaac, to her testimony stated, to burn his store building and stock of general merchandise, which was located in the community known as Blackburn's Gum, some time in the year of 1908, the object of the burning being to secure the insurance.

Dick Birdwell Completed.

Dick Birdwell's case was called this morning and completed today's business. He is charged jointly with George Wilfont of stealing two mules from Amos Sampson, a negro, near Bebee. The jury returned a verdict of guilty and sentenced him to four years in the penitentiary.

Negro Released.

Charley Dade, the negro who several weeks ago broke into a car in the Katy yards in this city and stole some flour, was released on his own recognizance from the county jail yesterday and taken to Shawnee by some negro friends. Mr. Sugenheimer wooed and won his fair wife at Long Branch last summer. After the honeymoon tour through the south the couple will reside at the Majestic hotel here.

According to these stories, General Chamorro, in civilian clothes, succeeded in making his way across the river into Chontales. He was accompanied by only a handful of men, who had a hand-to-hand fight with machetes, against the government troops.

Said board shall on or before the first Wednesday of January, 1911, and on the same day every two years thereafter, furnish a detailed report of its work to the legislature of the state, accompanied by a statement under oath of the treasurer of said board of the financial transactions of the two preceding years giving a detailed statement of all moneys and property, emoluments gifts and endowments received on account of such home and an itemized account of all its disbursements. The board of trustees shall have power and authority to make all necessary rules and regulations for the control and maintenance of said home and for the admission and discharge of the inmates thereof, and also provide for the necessary employees. SUNDAY AT THE CHURCHES

First Baptist Church. Rev. Stubblefield, pastor of the First Baptist church, announces there will be regular services at that church tomorrow morning and evening.

J. D. WHITE, Pastor. At North Ada Baptist Church. Regular preaching services 11 a. m. and 7:30 p. m. Sunday school at 10 a. m. Every body invited to come and worship with us. O. E. FOWLER.

First Methodist Church. The pastor will preach at the morning hour—11 o'clock. The laymen's service will be held at 7:30 p. m. It is expected that laymen will be in attendance from the several churches in Ada district. Sunday school at 9:45 a. m. Junior League at 2:30 p. m. Young people's League at 4 p. m. Residents and visitors in the city are cordially invited to attend these services.

Does God Want a Prayer Meeting? The most vexing problem in the church work in the towns of the country is the prayer meeting service. Do we really believe that it is a part of the service of God? Do we believe that it is a duty or a passive privilege? If it is a part of the service of God, does God require anything of us in this service? If anything is required of us, can we please God when we do not meet this requirement. Most all the members of a large number of our churches are never seen in our prayer meeting, and they claim to be children of God. Now I am frank to say that God is ashamed of a modern prayer meeting, and any man who is a Christian and is never seen at these services has to let the people largely depend on his word for his religious sentiments, for he never can impress them with his life, and I am of the opinion, that at the last, these same people will be surprised to find that their religion has been a play at serving God. There is a real principle in the service of God, and so long as we

make the service of God subordinate to our daily business, just so long will our influence be absolutely dead in God's kingdom and our children will be unsaved, and we will get no pleasure out of life. Our members need a clearer conception of the religion of Christ. Now there is a promise: "Where two or three have gathered in my name," if a man calls to be a child of God and loves to stay by a warm stove, or with his family, or with a picture show or with any other attraction, when Christ promises to meet him at prayer meeting, God's word says he is not worthy of him. O we need men who love God, who really believe they are the light of the world, who believe what God says about these things. Give me prayer meeting Christians and we will carry the world for Christ. Let us quit playing at religion and do some real things. O. E. FOWLER.

ARREST MURDERER OF MO. PROFESSOR

DOCTOR SUSPECTED OF KILLING KIRKSVILLE MAN.

Put Under \$10,000 Bond—Asserts His Innocence—Captured at Monroe City.

Kirkville Mo. Feb 26—Dr J R Hull arrested at Monroe City Mo. Thursday morning on a charge of murdering Prof J T Vaughn by poisoning arrived here Thursday night in charge of Deputy Sheriff Barnes. He was taken to the sheriff's office where after a conference it was announced the question of bail would not be taken up until tomorrow morning, when he will be released. It is understood on a bond of \$10,000 Hull was allowed to spend the night in a hotel guarded by a deputy sheriff.

He had little to say regarding his arrest except to assert his innocence and his ability to prove he has been guilty of nothing graver than in discretion.

Murder is Charged.

With Hull's arrest and the special grand jury nearly in touch with its investigation of the death of Prof Vaughn the case is rapidly nearing a climax.

The grand jury completed its work Thursday afternoon with the exception of two witnesses state Chemist Schweitzer who found strychnine in Vaughn's viscera and Chief of Police Koch of Quincy Ill.

These two witnesses will be examined and an indictment for one person other than Dr Hull is expected tonight by afternoon.

The coroner's jury that has been investigating Vaughn's death at Monroe City returned a verdict Thursday afternoon that the deceased came to his death by strychnine poisoning.

This body prior to the chemist's report of the finding of poison in Vaughn's organs submitted an informal report that they could find no evidence on which to base suspicions that the professor met a violent death.

Hull was accompanied to this city tonight by David Proctor a brother of Mrs Vaughn and by J M Proctor her father as well as by his wife mother and son-in-law J B Stiker.

His arrival here was dramatic in that a crowd of nearly three hundred persons greeted the train on its arrival. Hull eluded the crowd however by leaving the train at the rear end and escaping with the deputy before the curious crowd could find him.

Prosecuting Attorney Reizen said that Hull's bond will be fixed at either \$5,000 or \$10,000 tomorrow morning. Attorneys for Hull said that bondsman are now ready to sign the papers.

BATTLE OF MILLIONS BEGIN

Father and Son, Indians—Mixed Up in Big Suit in Colorado—Sapulpa People.

Colorado Springs Colo Feb 26—In the appointment by County Judge Little of former Sheriff O P Grimes as guardian of the seven-year old son of Robert Pittman of this city a full-blood Cherokee Indian a battle for millions has been begun.

The father, although it is said he can neither read or write, is worth millions as the result of ownership of more than seventy-five valuable oil wells on territory given him by the government near Sapulpa, Okla.

The boy has an annual income of \$100,000 and the guardian appointed by the county judge at Sapulpa, and his attorneys, it is said by the boy's father, are getting rich from the boy's estate.

It was on a petition of Mr and Mrs Pittman that Grimes was appointed, and a fight is being made in Sapulpa to have the administration of the property removed from there to Colorado Springs.

The father was appointed guardian here but could not give bond of \$200,000, owing to his illiteracy and he secured Grimes' appointment.

\$200—A pretty lot in "Donaghey" Terms.

We clothing men don't like to "carry over" goods from one season to another; we buy as much as we think we want—it's better to buy too much than too little; but one can't possibly foresee just how many suits or overcoats we're going to sell; and we always have left some stock.

Now, as the winter season draws to a close, as we're beginning to look for spring and summer stuff, here's this surplus of winter goods on hand.

These clothes will be just as good next fall as they are now, for you. We might put them away to keep until then, and sell them; but we don't want to. These suits and overcoats are a good deal better for you now than they will be for us next fall; you'll get two or three months' wear out of them before warm weather brings you in here for thin clothes; especially at the prices we're willing to take for the goods. OKLA. CITY NEGRO KILLS POLICEMAN

WILL MARTIN LANDED IN JAIL FOR MURDER.

Is Seen Running Down Street After Killing by City Health Commissioner.

Oklahoma City Feb 26—Lying in a pool of blood with his revolver tightly clinched in his death grip the body of Patrolman M R Reagan was discovered at Tenth street and Broadway at 1 o'clock this morning by City Health Commissioner J W Riley. Will Martin a negro is held at the county jail charged with the murder.

Although not an eyewitness to the killing Dr Riley states that he is in possession of evidence that will send the negro to the death chair. The city physician had been to St Anthony's hospital attending Albert H Beall shot by Deputy Sheriff Robertson early in the evening and was returning to his home 1302 North Broadway in his automobile. At the corner of Eleventh street and Broadway he saw Patrolman Reagan arrest a negro. Five minutes later while putting his machine in his garage he heard a pistol shot and rushed to the street just in time to see Reagan writhing in the middle of the street in his death throes and his assailant running down the street. A hasty examination of the policeman showed that he was dead, his skull having been shattered by a heavy calibre revolver bullet, which had struck him over the nose and ploughed its way through the back of his head.

KILLS FRIEND.

St Louis, Feb 26—"I shot at his heart I hope I killed him" exclaimed Henry L Deldrickson, as he surrendered to the police this afternoon, after mortally wounding John Barry, a politician and police character Barry died tonight.

The shooting followed a political argument in a justice court, of which Deldrickson is clerk. Deldrickson declares he shot in self-defense, alleging Barry threatened him with a knife.

The men had been friends for years until Barry left the republican party and became a democrat. They then became bitter enemies. Deldrickson was released on \$5,000 bond to await the coroner's inquest.

HE DIDN'T WANT TO GET MARRIED

MRS. STEVENS DIDN'T LOOK GOOD TO MR. WASHMAN.

Farmer Near Stratford Answered Advertisement but Arkansas Woman Didn't Suit.

Advertising may be a suitable method for some fellows to get themselves a wife but it doesn't suit one Mr. Washman at all. He knows for he has tried it.

It isn't a very long story. Mr. Washman came here about a year ago and purchased a farm near Stratford where he is known as an industrious farmer. He evidently reads quite a bit—as all up-to-date farmers do—and among his literature a matrimonial paper crept into his lonely home.

Sees Ad in Paper.

In glancing over Cupid's magazine a certain ad caught his eye. No doubt he read it over and over again, and each time he read it the more he despised his bachelorhood. Anyway that advertisement, signed by Mrs. Stevens of some town in Arkansas, seemed to keep telling him to answer it, and so he did.

After some correspondence between the two they agreed that she should come to Ada and here they would marry. As per agreement Mrs. Stevens came in on the Frisco Thursday morning. It required but one look at the woman to decide that she was not the one he was looking for. Oh, no, he didn't want to marry her.

Spends His Money.

Up town they came and all the while he was doubtless calling on his think box for a way in which he might give Mrs. Stevens the slip. Finally he offered to buy her a suit and when he paid \$30 for it she must have come to the conclusion that he was a mighty good fellow. Besides this, he paid her hotel bill and railroad fare back to Arkansas.

Both Go Home.

After this was settled Mr. Washman went to his farm, and this morning Mrs. Stevens boarded the north-bound Frisco for her home, rigged out in the new \$30 suit. Although the suit was very pretty it didn't improve her facial appearance, so 'tis said.

Yesterday afternoon a gang of what Mr. Washman might term "hoodlums" gathered around him and threatened to make him marry the woman but such action had no effect whatever on him.

Great Church Conference.

Pittsburg, Pa., Feb. 26.—Delegates from forty-four cities throughout the United States are arriving here to attend a conference, national in scope, for the purpose of considering Protestant Episcopal church extension work. The convention will be held under the auspices of the Laymen's Missionary League and the Protestant Episcopal diocese of Pittsburg, and the sessions will open Thursday.

Bryan and Cook Arrive.

Andes, Chile, Feb. 26.—William J. Bryan, Mrs. Bryan and their daughter arrived here Thursday from Santiago and crossed the mountains on their way to Buenos Ayres. Dr. Frederick A. Cook and his wife also arrived here from Santiago. They will remain here until Sunday, when they proceed across the mountain for Buenos Ayres.

Seattle, Wash., Feb. 26.—Reports received from the north say that men who are standing by the wreck of the Alaska Steamship company's steamer Yucatan, which was wrecked on a reef at the entrance to Mud Bay, Alaska, last week, are engaged in a continuous battle with huge icebergs to keep the bleached vessel from complete destruction. With the exception of the forward house, the Yucatan is entirely submerged at high tide. Captain W. S. Porter and the men with him are living in the forward house pending the arrival of the wrecking steamer Santa Cruz.

Mexico's Claim Denied.

El Paso, Tex., Feb. 26.—In denying the injunction of George Paul against the city of El Paso, the district court here Thursday recognized the disputed territory known as the Chamizal zone as belonging to the United States, and not to Mexico. The litigation regarding the ownership of this ground has long been the subject of dispute between the two countries. The disputed strip is part of El Paso, contains five thousand population and is valued at five million dollars. Paul sought to enjoin the city from taking possession of the land, claiming possession under a grant from Mexico.

Major Stafford Missing.

El Paso, Tex., Feb. 26.—Relatives and friends of Major Don Stafford, adjutant general of Louisiana, are greatly alarmed over his strange disappearance. Major Stafford left New Orleans last week to visit a brother in El Paso and since then nothing has been heard of him.

There was a dull ache through my loins and too frequent passages of the kidney secretions caused me much annoyance. NEW ELECTION MEASURE PASSED

MILTON BYRON'S LAW GOES THROUGH

Long Debate on Rogers Resolutions—Senator Stewart Defends Resolution

Guthrie, Okla., Feb. 26.—After a prolonged contest over application of the House rules, the Democratic majority there put through on final passage the new election law offered by Milton Byron of Pottawatomie Co. At last night's adjournment Mr. Tillotson of the majority concluded his argument for the bill, the pending motion being to "consider the bill engrossed and placed on final roll call, and upon which the previous question had been ordered."

When the House began work this morning, Mr. Jones (Republican) insisted that it was impossible to carry two objects in the same motion, the Speaker ruling against him. He then wanted the bill referred to the Committee on Elections with instructions to consider fifty amendments which Republicans drafted in caucus. This also being declared out of order, the roll was called, the bill passing by a vote of 58 to 36, with fourteen absentees. The vote was a strict party alignment, Republicans voting "No." The emergency, however, which would give the act immediate effect, was defeated by a vote of 56 to 38. Messrs. Harrison and Faulkner voting "No." Defeat of the emergency afforded opportunity for a referendum vote on the bill which Republicans insist will be taken by circulating petitions among the people as they did on the Taylor law of the regular session.

On Taylor Law

Immediately following passage of the bill the Committee on Elections made a favorable report on the Taylor bill, amending the initiative and referendum law, which fixes a procedure for submitting amendments to the Territorial statute book to the people.

The Bryan law which passed today returns to the emblem ballot, displacing the ribbon ballot law of the regular session, and is pronounced by Democrats to be a fair election proposition. It creates State and county election boards, which were not possessed under the Territorial law, and requires a general registration for voters, whereas the Territorial act confined registration to cities of the first class. Republicans object to the procedure for naming election boards, contending that it gives the Governor authority to disregard recommendations made by party chairmen. Mr. Bryan explains that the wording of the provision is necessary in order not to limit the appointing power of the Governor, which he says would be unconstitutional.

Snyder's Statutes.

The Senate had a long debate on the Rogers resolution proposing to declare Snyder's Statutes the presumptive law of the State. Senator Allen started with the declaration that 10 per cent of the civil section of the compilation was erroneous, and out of 650 sections of the criminal and 250 had either been repealed or amended. He was in favor, he said, of permitting the people to guess for another twelve months as they had for two or three years on what the law is, instead of giving Snyder's Statutes legislative sanction.

Senator Stewart came to the resolution's defense. He said that no

BABY DEAD WHEN PARENTS AWAKE

DEATH CAUSED BY SUFFOCATION.

Mr. and Mrs. Fountain Horror-Stricken at Finding Child Still by Death.

The death angel came some time last night or this morning and took away the baby that, two months ago, came to brighten the home and lives of Mr. and Mrs. Fountain of Sixteenth street.

Child Suffocated.

Death was caused by accidental suffocation.

The baby was troubled with an infection of the head, but last night the little one was resting well. The fond parents, having lost much sleep on account of the baby's condition, soon went to sleep and never awakened until the usual arising time, when they were horror-stricken to find their child dead. A physician was summoned, but death had preceded him some little time. About 10 o'clock Justice Brown held an inquest over the remains, the verdict being as follows:

Jury's Verdict.

We, the jury, duly empaneled and sworn, upon our oaths do find on this the 26th day of February, 1910, after hearing the evidence to Dr. Hartman, our opinion is that the cause of the infant's death was by accidental suffocation.

Witness our hands this the 26th day of February, 1910.

Signed: Joe Carter, L. J. Little, J. N. Peery, A. Killpatrick, J. F. Higgins, Clint Pohmer.

Witness my hand and seal this the 26th day of February, 1910.

H. J. Brown, Justice of Peace.

Mr. and Mrs. Fountain have lived in Ada for some time and have many friends who offer their deepest sympathy in the untimely death of their baby.

Mr. Fountain is a barber employed at Mr. Dorsey's shop.

Dick Birdwell Has Trial for Stealing Two Mules—Other Court House News.

The jury in the trial of the State vs. M. D. Chappel found a verdict this morning at 10 o'clock finding Chappel guilty and assessing a sentence of five years in the penitentiary.

For a day and a half Chappel was on trial charged with larceny, having forced Mrs. Lane, to her testimony stated, to burn his store building and stock of general merchandise, which was located in the community known as Blackburn's Gap, some time in the year of 1908, the object of the burning being to secure the insurance.

Dick Birdwell Convicted.

Dick Birdwell's case was called this morning and completed today's business. He is charged jointly with George Willont of stealing two mules from Amos Sampson, a negro, near Bebec. The jury returned a verdict of guilty and sentenced him to four years in the penitentiary.

Negro Released.

Charley Dade, the negro who several weeks ago broke into a car in the Katy yards in this city and stole some flour, was released on his own recognizance from the county jail yesterday and taken to Shawnee by some negro friends. He has been sick ever since he was put in jail and a physician said he couldn't live very long.

Francis Couple Adops Child.

Today in probate court Mr. and Mrs. W. L. Shaffer of Francis adopted Miss Rosa Ward, age 16.

First Kissed Hobson.

New York, Feb. 26.—Miss Emma Arnold, of St. Louis, was the first patriotic American girl to decorate Capt. Richmond P. Hobson for his bravery in the thrilling Meccimac incident in Santiago Harbor, Cuba. The then Miss Arnold gave Hobson the highest reward; a delicate kiss. Other girls followed her example and Hobson received such enthusiastic rewards wherever he went; became the most numerous kissed man in the country.

Miss Arnold is a happy bride now; she married Benjamin Sugenheimer, of New York in St. Louis Thursday. Mrs. Harris Franklin, of New York, the bride's sister, was matron of honor. Mr. Sugenheimer wooed and won his fair wife at Long Branch last summer. After the honeymoon tour through the south the couple will reside at the Majestic hotel here.

MITH MRS. W. C. DUNCAN.

On Tuesday afternoon, Feb. 22nd, Mrs. W. C. Duncan, who has as guests, her mother, Mrs. St. Clair and sister, Mrs. Rickett, of Clovis, New Mexico, entertained a large number of friends with a musicale.

The house was effectively decorated in flags and national colors.

The first hour, the guests were met by Mrs. Torbett; second by Mrs. Mason, and the third, by Mrs. Ebeby, Mrs. Duncan introducing them to Mrs. St. Clair and Mrs. Rickett. From the hall, Mrs. A. L. Beck ushered them into the tea room, where Mrs. Rodarmel presided at the table. As they passed into the music room, Mrs. Neathery presented the program, which were uniquely arranged on small flags.

While the guests were entertained with vocal and piano selections, refreshments in red and white were served on blue and white china.

The following, with their musical talent, contributed to the entertainment: Miss Dorothy Duncan, Mesdames Case, Wingo, Souers, Thouron, Stubbfield, Stued, Torbett, Kite and Shands.

The house party, majority of whom were gowning in Martha Washington style, were: Mesdames Ebeby, Galbraith, Rodarmel, Beck, Torbett, Weaver, Neathery, Stubbfield, L. M. King, Kite, Hart, Mason and Miss Gladys Torbett.

The culture of Mrs. Duncan and her capacity as an entertainer contributed much to the refined enjoyment of her popular guests, as always does, on occasions where she is hostess.

WEST WILL RUN FOR GOVERNOR

Special to News.

Guthrie, Okla., Feb. 26.—Attorney General Chas. West made definite, though not formal announcement last night that he would be a candidate for governor. It is thought that such decision will result in either Hon. J. B. Thompson or Hon. Clint Graham becoming candidates for attorney general in which latter event, Hon. Geo. Henshaw, might make the race for corporation commissioner.

TEXAN DIES FROM WOUND

Capt. Fowler Commanded Artillery in Nicaragua—Home Was in Dallas, Texas.

Managua, Nic., Feb. 26.—It is unofficially reported here Capt. Godfrey Fowler, formerly of the United States army, who commanded General Chamorro's artillery in the engagement at Tlana, on Tuesday, has died from his wounds.

He was accompanied by only a handful of men, who had a hand-to-hand fight with machetes, against the government troops.
